

JER HR Group Announces Acquisition of Willis HR

JER HR Group LLC acquires Willis HR LLC, a HR Consulting firm.

NEW YORK, NY – December 1, 2022 JER HR Group and Willis HR jointly announce JER HR Group’s acquisition of Willis HR in a private transaction. [Willis HR](#) is a leading HR consulting firm servicing clients in SMB and nonprofit markets.

“[JER HR Group](#) brings more than 30 years of experience in HR services, working with clients nationwide. Acquiring Willis HR, which has been in business since 2014, enhances JER HR Group’s capacity to deliver expanded services and HCM technology to current Willis HR clients” said Mahesh Kumar, Managing Director of JER HR Group.

Willis HR provides custom HR solutions for small organizations who often don’t have internal HR departments or extensive HR staff. Willis HR services include monthly HR support, organizational development, and custom training programs. JER HR Group will merge the HR consulting business of Willis HR within its HR Services division. This integration will expand JER HR Group’s clients and geographic footprint nationwide.

“The client portal developed by Willis HR is part of this transaction. Our objective is to expand the current portal offering, and to become a single source of HR related information and services for our clients. We already have robust SaaS based HCM solutions under [Trainery](#) HCM. Integrating the HR portal with our other offerings expands our product capabilities and addresses our client needs,” Kumar said.

Jada Willis, CEO of Willis HR said, “This is such an exciting opportunity for our clients and our team. JER HR Group is a perfect partner and an excellent choice to take us to the next level. JER HR Group focuses on taking care of the people that they serve while providing the best in HR services and technology. They work with hundreds of clients nationwide each year, and we are confident that our clients will benefit from the combined offerings.”
